

# Payment options

Never worry about your elestio account balance running out or being too low anymore by using our auto refill option to automatically top it up.

## To Enable auto-refill.

1. Select the Account tab from the left sidebar menu.
2. Select the *Payment Options* tab.
3. Toggle the switch to enable it.
4. Enter the minimum balance for activation of auto-refill
5. Enter your refill amount
6. Save by clicking *Save auto refill settings*

Currently, all amounts are in US dollars (USD).

## To Disable auto-refill.

1. Select the Account tab from the left sidebar menu.
2. Select the *Payment Options* tab.
3. Toggle the switch to disable it.
4. Save by clicking *Save auto refill settings*.

Auto refill is always enabled by default. To turn off Auto refill, just toggle the switch to off and save the configuration.
