

Newsletter

You can get the most recent information about Elestio features, supported software, and tips by subscribing to the elestio newsletter.

You can subscribe to the elestio newsletter during sign-up by checking the box (Sign up for our newsletter) and later manage subscribed/unsubscribes from your elestio account settings.

How to Subscribe to the Newsletter:

- Navigate to your account setting from the left sidebar or simply [click](#) here to directly go.
- In the user information, check the Newsletter checkbox.
- Click the submit button to save your information for the newsletter subscription.

To unsubscribe from the newsletter, follow these steps:

- Navigate to your account setting from the left sidebar or simply [click](#) here to directly go.
- Uncheck the Newsletter checkbox in the user information.
- Click the submit button to save your information for the newsletter unsubscription.

Revision #6
