

Leave a project

Read-only users are able to leave projects.

1. Select **Members** in the left menu
2. Select the **Leave Project** icon to the right of the project you wish to leave

The screenshot shows the Elestio interface. On the left is a sidebar with the Elestio logo and a menu for 'PROJECT: elestio-services' containing 'Services', 'Volumes', 'Load Balancer', 'CI/CD', 'Domains', 'Members' (highlighted), 'Billing', 'Project Setting', and 'Audit Trail'. The main area is titled 'Members' and features a table with columns 'User Email', 'Member type', and 'Created'. There are two members listed: one is the 'project owner' with 'Admin' type, created '8 months ago', and has a 'Leave Project' icon; the other is an 'Admin' type, created '5 months ago', and has a 'Leave Project' icon. An '+ Add Member' button is in the top right, and a 'Test' button is at the bottom right.
