

# File Explorer

From the Tools tab in the service overview, click on the "File Explorer" button.

The first launch can take 1-2 minutes because File Explorer is installed on your service. The next launch is nearly instant.

The screenshot shows the service overview for 'redis-bgrkj'. At the top, there is a service icon (a red cube), the name 'redis-bgrkj', and a 'Redis' status indicator with a 'Running' badge. To the right are buttons for 'Open terminal', 'Delete service', and 'Clone this service'. Below this is a navigation bar with tabs: Overview, Tools (selected), Backups, Metrics, Logs, Audit, Security, Alerts, and Notes. The main content area displays a list of tools:

VS Code	Your favorite code editor in your browser	VS Code
File Explorer	Navigate easily to different folders, upload or download files/folders	File Explorer
Reset Password	Reset your SSH/SFTP password	Reset Password
Terminal	Access virtual machine consoles	Terminal

This will open a pop-up window, providing you with a temporary password and Access link.

Copy the temporary password and click on the Access link.

### VSCode

Here find your credential to connect with vscode

Access link:

`https://redis-bgrkj-u76.vm.appdrag.net:18345/?folder=/opt/app`

User:

`root`

Password:

`eo389q-h0hc-fwke6t`

**Copy All**

Authenticate with the credentials on the file explorer page:

# elestio

## File Explorer

  
  

Once logged in, you'll be able to browse, edit, download, and upload the files on the server:

The screenshot shows the Elestio File Explorer interface. At the top, there is a search bar and navigation icons. The main area displays a file listing for the 'app' directory. The listing includes columns for Name, Size, and Last modified. The files listed are:

Name	Size	Last modified
data	-	6 hours ago
insight	-	6 hours ago
.env	64 B	6 hours ago
cli.sh	78 B	6 hours ago
config.json	104 B	6 hours ago
docker-compose.yml	461 B	6 hours ago
save.sh	83 B	6 hours ago
