- XLARGE-8C-16G - 8 vCPU - 16.00 RAM - 240 NVME (Price: Hourly: \$0.133, Monthly: \$97.09)

WARNING This action will shutdown your service for rescaling the plan

Cancel Do Upgrade

Germany.Falkenstein - DC: fsn1

To be able to upgrade your service plan, you must first shutdown your service

When you resize a service you have an option to resize only the CPU & RAM without modifying the disk size, if you check that option, you will be able to downgrade later if needed.
